If your equipment requires repair,  
contact the Enable New Zealand  
service agent in your area.

If the equipment requires permanent  
or temporary replacement, the Enable  
New Zealand service agent will contact  
your Assessor or Therapist to discuss  
your equipment needs.

For information, advice and news about  
disability, visit Firstport - bringing  
together key facts about funding,  
equipment and where to find and  
access support, it's your first port of  
call for everything you need to know  
about disability services in New  
Zealand.
