

About us

Enable New Zealand has been supporting New Zealanders with disability equipment and services since 1974.

Our team support over 7,600 clinical professionals around New Zealand. We work with a network of over 500 suppliers and subcontractors to deliver value for our community.

Each year, we deliver complex services to thousands of people, enabling those in our disability community to live good lives.

About us

The Clinical Advisory team is here to support health professionals. They assist with clinical reasoning and value for money decision-making for ACC **MRES** (Managed Rehabilitation Equipment Service) equipment.

The team are experienced Occupational Therapists and Physiotherapists.

They come from diverse clinical backgrounds and are passionate about working collaboratively to empower our community to live everyday lives in everyday places.
